## STEENBERG HOTEL

*This luxury hotel in Cape Town offers exquisite hospitality,  
world-class cuisine, an award-winning winery,  
an 18-hole championship golf course, a plush spa and plenty of history.*

Situated on the Cape's oldest registered farm, Steenberg offers an idyllic setting;  
a short drive from the hustle and bustle of Cape Town in the Western Cape,  
South Africa.

Steenberg Hotel rests in the Constantiaberg amphitheatre of the Table Mountain  
range. The original farm werf resonates with the history of the Cape as it was the very  
first farm granted by Simon van der Stel, to the feisty Catharina Ras, in 1682.

The selection of luxurious accommodation includes striking heritage suites,  
contemporary premier rooms, family rooms and the charm of sunny barn rooms as  
well as those in the original Manor House. Steenberg Hotel relives the glory days of  
the farm as the preferred stop-over for travellers to the Cape with the hallmark of  
warm hospitality and attentive service.

# BISTRO sixteen82

— AT STEENBERG —

*Named after the year in which Steenberg was established, Bistro Sixteen82 first opened its doors in 2009, and has been the tapas and bistro-style darling of the dining world ever since.*

An innovative and interactive wine and food destination, the Bistro sits adjacent to Steenberg's winery, and spills into its surrounding indigenous gardens with a terraced dining area leading to reflective water features, unfurling into views of the magnificent stone mountains and expansive winelands.

The Bistro Sixteen82 menu is a constant evolution, keeping up with seasonal produce and featuring inventive dishes that complement the finest locally sourced ingredients. With Breakfast, Lunch and late-afternoon Tapas menus to choose from, the Bistro provides dining with an inimitable contemporary spirit.

Executive Chef, Kerry Kilpin, loves to create food which is seasonal, flavourful and bursts with freshness. "My greatest inspirations are derived from significant occasions in my life. On my travels to Thailand I developed a love and passion for Asian food. From shopping at the local food markets to creating my first authentic Thai dish, I was in heaven. You will notice a common thread in what I do and who I am. I cook with love and my food is love."

# Tryn

— AT STEENBERG —

*Dedicated to Steenberg's 17th century founder, Catharina Ras, or Tryn as she was known to her nearest and dearest; this restaurant is contemporary in spirit with fabulous food, bold accents and modern textures.*

"My team and I are very excited about bringing Catharina into the 21st century with the opening of Tryn, and creating a dining experience that is more connected to her free and feisty spirit," says Steenberg Executive Chef Kerry Kilpin.

Tryn's personality is splashed on bold and gutsy ruby and jade walls in the private dining areas. Solid timber and hardy stone convey her strength, whilst delicate layering of textured fabrics and wall effects coat the space with her femininity. Rich burnt orange and mustard tones in the soft furnishings add scatterings of her feisty character. An inviting bar draws guests into the heart of the space and beckons after work encounters, either indoors or on the tranquil outstretched terrace overlooking verdant vineyards.

At Tryn, Chef Kerry takes her culinary skills to the next level, featuring an abundance of fresh ingredients, honest flavours and intuitive service. Known for adding a touch of Asian and Middle Eastern flair to her classically prepared food, Chef Kerry enlivens the familiar with exciting twists and flavour combinations to delight all palates.

## WINERY & FARM

*Steenberg is situated in the Constantia wine ward at the foot of the Table Mountain National Park. Being a mere 5km from the icy Atlantic Ocean ensures cool growing conditions year round, ideal for producing elegant wines.*

The lean soil of decomposed granite helps retain water and contributes to the distinctive minerality of the wines. Steenberg has 60 ha under vine, of which 70% is white (Sauvignon Blanc and Semillon), and 30% is red (Merlot, Syrah, Cabernet Sauvignon, Nebbiolo and Malbec). From an initial 2000 cases, Steenberg now produces over 55 000 cases per annum.

Steenberg strives to produce wines that are true to their unique terroir and reflect a sense of place.

*Steenberg Golf Estate and private Golf Club is situated in the lush Constantia Valley, just 20 minutes from the centre of Cape Town.*

The golf course – consistently named one of the best conditioned courses in South Africa Golf Digest's annual Top 100 – attracts golfers seeking a total golfing experience. Known for its hybrid plan, it offers traditionalists the opportunity to 'bump and run' (a rare shot in South Africa) in the rough around the greens, and to meet the challenges of strategically placed sand pits and waterways.

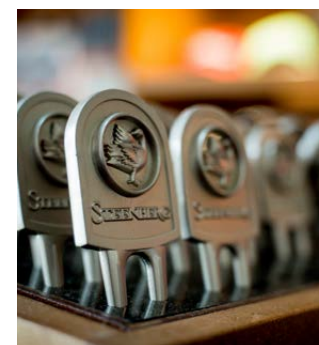

The par-three, not-so-short 14th hole, features the largest green in Africa at 76 meters in length. Indigenous shrubs guard the green and the mound has been shaped to echo the distinctive mountain range behind.

The 18-hole golf course was designed to make full use of natural features and hazards such as the vineyards, pine forest and gentle waterways. Its environmental diversity gives the course its unique character.

The well-designed and refurbished clubhouse has seen many golfers enjoying the 19th hole.

The Steenberg Golf Club is open to the public, but priority and special green fee rates are given to hotel guests and members.
