MAGNIFICENT MANTA RAYS

Plunge into the graceful underwater world of sea angels. Watch closely as their gentle wings glide through the water like clouds.

Cheval Blanc Randheli is delighted to host an experience like no other, partnering with the Manta Ray Conservation Charity.

A high-speed boat or luxury yacht cruise divers from 35 minutes to 2 hours away to the world of mantas rays where a dive master accompanies guests on a discovery of manta cleaning stations or Hanifaru Bay. This half day or full day trip transports guests across the Atoll to crystalline waters where mantas play gracefully.

The Manta Conservation Charity uses all collected documentation (film, photos) to attempt identifying each ray and provide insight on their age, gender and normal whereabouts. For never-before spotted mantas, guests are invited to name *their* ray!

Available Mid-July to October.
